General Items that apply to all sports

➤ **CYC ID Cards**

All Kindergarten thru 8th grade Head Coaches /Managers are required to have a CYC Coach's Training Program Card. A CYC Coach's Training Program Card will serve as a coach's official ID Card, but not as a player's card. (Exceptions—an Emergency Coach). ALL other registered managers, coaches and all players in Midget Division/5th grade and above, of the CYC Athletic Association must have an Official CYC Registration ID Card to be eligible to participate. Teams must have their ID Cards and Roster present for every game. (Districts may require players below the Midget Division to also have CYC ID Cards.)

\*NOTE: All Managers and coaches must be in compliance with all/any Archdiocesan participation requirements.

No adult cards are being given out before verification of compliance with Archdiocesan participation requirements is completed.

Old style CYC Coach's Training Program Card, is fine at this time, all cards being issued after January 2010 are the new style which has the coach's picture along with their coach's ID number.
