6th, 7th & 8th Grade Girls Volleyball Tournament
October 9, 10 and 11, 2009

Tournament Guidelines

- The official roster must be submitted to the Tournament Coordinator BEFORE a team will be allowed to participate in the tournament.
(A program with each participant's name and number will be distributed at the door.)
- CYC Rules and Regulations for 6th, 7th and 8th grade volleyball will apply, EXCEPT no Volley Lite balls.
- CYC minimum playing requirement will not be enforced. However, we strongly recommend that each player have the opportunity to participate.
- The game ball will be provided, but we will NOT provide practice balls.
- Any team not ready to play at the designated starting time will FORFEIT as follows: first game - 5 minutes after starting time, second game - 10 minutes after starting time. Any unusual circumstances can be brought to the Tournament Coordinator for discussion. Teams must have 5 players on the court at all times.
- Games may start ahead of schedule but no more than 15 minutes early. If we are aware of a possible conflict, then we will remain on schedule. Please inform us of any conflicts and we will try to accommodate your team in planning the schedule.
- Games will be refereed and scored by Incarnate Word Academy volleyball team members. Each team on the court is to provide a line judge for each game.
- Player and coach names announced prior to Championship Match.
- Medals awarded for 1st and 2nd place.
- Schedule dependent on # of teams and conflicts. Your team will likely play only 2 of the 3 days, possibly even get all your matches in one day.
- There will be point caps, but no timed games this year. We do our best to work around your CYC conflicts.
