All teams are required to wear uniforms – jerseys of similar color with a permanently attached number on front and back. The size of the number will be left to the discretion of the NCCYC District. If an official finds a duplicate number on a player (before or during the game), the manager must remove one of the players until such time that the violation has been corrected. Numbers shall NOT be altered with tape, pen, magic marker or any other means. Players without proper uniforms should not be allowed to play. A violation of this rule will result in an automatic forfeit. Uniforms or lack of same are not a protest-able item. In NCCYC only, a player may wear a white tee shirt beneath his/her jersey, regardless of jersey color. All members of the team must be in the same color tee shirt, if worn. (If your team goes to the Archdiocesan Playoffs, it must be prepared to adhere to the UNIFORM requirements as written on page 44 of the current rulebook.)
